## Players

McDonald's will give a **free small order of french fries** to any Cudahy St. Francis Little Baseball Association player who visits in uniform (shirt, hat, and pants) after playing in a game, according to the official CSFLBA schedule. No additional purchase is required to receive the free fries. However, there is a limit of one free order of fries per player, per game. Players will receive a hand stamp when they pick up their fries.

Although McDonald's welcomes parents to accompany their child to McDonald's after the game, it is not required that a parent be present, provided the child behaves. If you plan to send your child to McDonald's without a parent, please remind your child to be on their best behavior. McDonald's will not tolerate wild behavior such as running, shouting, or throwing food. McDonald's does not expect the CSFLBA Staff to supervise the players who visit McDonald's. However, if a coach or manager notices any player not acting properly, the player's name will be reported to a CSFLBA board member for possible revocation of privileges.

Each punch card is good for six free Quarter Pounder with Cheese sandwiches, limit one free sandwich per game day. A punch card cannot be

redeemed if it is presented at any other time besides after the game, or if it is transferred to someone who is not a member of the coach/management staff, such as a spouse or minor. Up to four punch cards are available per team.
